Founder's Message

Dear Parents, it is a pleasure to welcome you and your ward to MIS School, Hinjawadi. We wish you happiness and success in all aspects of your child's school life.
MIS School Hinjawadi is promoted by Youth Build Foundation, an educational trust committed to providing quality and holistic education to equip students with knowledge and skills.
Our State-of-the-Art infrastructure complements the efforts of our teaching staff with a safe, innovative environment for students to learn, explore, engage and acquire the skills, knowledge and values to succeed as responsible global citizens.
All stakeholders at MIS work towards making our students realise their fullest potential, be it learning, values, culture or social responsibility. We invite you to join and experience.

Dr. Pradeep Bavadekar

Principal's Message

Welcome to MIS School, Hinjawadi, a vibrant learning community where every child is encouraged to explore, excel, and evolve.
At MIS School, Hinjawadi, we believe that education is more than academic achievement; it is about inspiring young minds to dream, innovate, and lead with confidence. Every learner embarks on a journey that nurtures curiosity, builds character, and prepares them to thrive in an ever-changing world.
Our commitment is to provide an inclusive and inspiring environment where excellence is pursued with enthusiasm, creativity is celebrated, and every student feels valued. Through a balanced blend of academic rigor, experiential learning, technology, sports, arts, and life skills, we empower students to become confident thinkers, compassionate individuals, and responsible global citizens.
At the heart of our school is a strong partnership between dedicated educators, supportive families, and enthusiastic learners. Together, we foster a culture of collaboration, respect, resilience, and lifelong learning while equipping our students with the skills and values to make a meaningful impact on the world.
MIS School, Hinjawadi, is more than a place of learning, it is a community where aspirations take flight, talents are nurtured, and futures are shaped with purpose.
I warmly invite you to be a part of our journey and experience an institution where every learner is encouraged to discover their strengths, embrace challenges, and achieve excellence. Together, let us inspire, innovate, and create a brighter tomorrow.

Culture, Values & Celebrations

Ashadhi Ekadashi Celebration

The Pre-Primary section celebrated Ashadhi Ekadashi on 22 July through traditional attire, a teacher-led Waari, an educational skit on Vitthal and Waari, and a symbolic Palakhi procession. The celebration introduced young learners to unity, devotion, discipline and togetherness while connecting them with Maharashtra's cultural traditions.

Culture, Values & Celebrations

Guru Purnima Celebration

MIS School celebrated Guru Purnima with devotion and respect. Nursery students presented 'Guru Brahma, Guru Vishnu', Junior KG recited 'Agyan Timirandhasya' and Senior KG rendered the 'Guru Govind Doha'. Teachers were felicitated, helping children understand gratitude, respect and the role of teachers in guiding young minds.

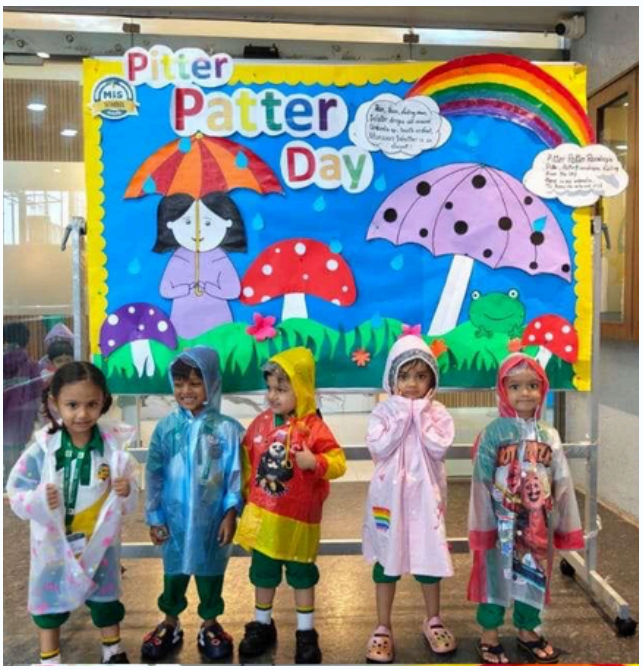

Pitter Patter Day

The special rainy-day celebration transformed the monsoon into a hands-on learning experience. Children safely enjoyed rain play in raincoats, followed by an assembly-hall session on water cycle & rain care The activity connected real-time weather with the water cycle and encouraged curiosity about nature.

Friendship, Well-being & Social Learning

Friendship Day

Friendship Day encouraged children to understand kindness, sharing, caring and cooperation. Students exchanged friendship bands, shared kind words and participated in group games. A puppet show on Krishna and Sudama highlighted love, trust, humility and unconditional support, while a special session explored the qualities of a good friend.

Doctor's Day

The Pre-Primary and Primary sections marked Doctor's Day with an interactive session by Dr. Ajay Mahajan. Students learned about healthy habits, personal hygiene, nutritious food, hydration, physical activity, seasonal fruits and vegetables, and the role of natural living. The session also introduced children to Ayurveda in an age-appropriate manner.

Friendship, Well-being & Social Learning

Yellow Day & World Emoji Day

The Pre-Primary Department combined colour learning with emotional awareness. Children dressed in yellow, brought yellow food items and identified yellow objects while learning that yellow can represent happiness, positivity, sunshine and energy. Emoji activities introduced emotions such as happiness, sadness, surprise, love, excitement and laughter through stories, songs, games and discussion.

Patriotism, Music & Creative Expression

Kargil Vijay Diwas — Inter-House Patriotic Song Competition

MIS School commemorated Kargil Vijay Diwas through an Inter-House Patriotic Songs Competition. Grades 3 to 7 presented the skit 'A Letter from the Border', portraying the emotions and sacrifices of soldiers. The four houses performed patriotic songs: Athena — 'Suno Gaur Se Duniya Walo'; Apollo — 'Kandhon Se Milte Hain Kandhe'; Helios — 'Chak De India'; and Spartan — 'Jai Ho'. Spartan House was declared the winner.

Patriotism, Music & Creative Expression

Independence Day — Pre-Primary Section

The Pre-Primary section celebrated Independence Day on 14 August 2026 in the Atrium. The programme included the National Anthem and National Pledge by Senior KG, speeches by teachers and students, a Junior KG dance, a patriotic song, and a freedom-fighter ramp walk by Nursery students.

Patriotism, Music & Creative Expression

80th Independence Day Celebration

MIS School, Maan celebrated India's 80th Independence Day on 15 August 2026. The programme included flag hoisting, the National Anthem, an address on freedom and responsibility, patriotic singing, a One India Dance Mashup, a Spartan House patriotic song, 'Chak De India', an Odhani Demonstration, 'Rang De Basanti', Dance performance and the student speech 'Glorify India'.

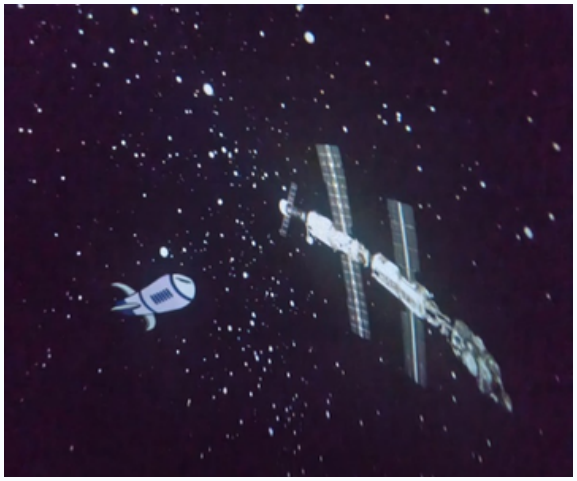

Science, Space & Exploration

Planetarium Day

Young learners explored the world of space through colourful projections of the night sky, stars, spacecraft, rockets and the International Space Station. An animated presentation and story made the experience child-friendly and engaging, encouraging students to observe, ask questions and develop interest in science and space.

Planetarium Show — Grades 1 & 2

A planetarium show was organised in the school Atrium on 21 August 2026 for Grades 1 and 2. Students explored the solar system, planets, stars and space through an immersive visual presentation that made scientific concepts easier and more interesting.

Science, Space & Exploration

Science Park & Planetarium Visit — Grades 3 to 7

Students of Grades 3 to 7 visited Pimpri Chinchwad Science Park and Planetarium on 21 August 2026. Interactive exhibits, a 3D show and an immersive planetarium session helped students connect classroom concepts with real-life experiences and deepen their understanding of astronomy and space science.

Creativity, Collaboration & Community

Inter-School Rakhi Making Competition

MIS School, Maan, Hinjawadi hosted an Inter-School Rakhi Making Competition for Rakshabandhan. Four schools, including MIS, participated, with 52 students from the participating schools enjoying the event. Students used ribbons, pom-poms and decorative materials to create Rakhis, and certificates were distributed by Principal Mrs. Reshmi.

Incredible India Fest — Student Achievement

Five MIS students participated in the Incredible India Fest at Elpro School, Pimpri Chinchwad, based on the theme of farmers and their contribution to the country. Priyanshu Dhal of Junior KG, A Division won second position and was honoured with a certificate and medal.

Creativity, Collaboration & Community

Sports & Physical Fitness

National Sports Day

MIS School, Maan celebrated National Sports Day on 27 August 2026 with a special student-led assembly. Students dressed as famous sportspersons, introduced the personalities they represented and shared information about their sports, achievements and honours. A sports-themed quiz further encouraged participation and strengthened students' knowledge of sports.

Student Achievement — Swanandi Salgare

Swanandi Salgare, a proud student of MIS School, won Gold Medal at the Karate Kumite Championship organised by the Universal Shotokan Karate-Do Association. Her achievement reflects dedication, discipline and determination.

Life Skills, Sustainability & Environmental Learning

Kaushal Bodh — Setting Up the Kitchen Garden

Students of Grades 6 and 7 participated in setting up a kitchen garden within the school premises. With guidance from the school gardener, they prepared soil, created planting rows and sowed seeds. Students planted potatoes, garlic, chillies, capsicum and coriander and learned about watering, soil care, weeding and plant growth.

Learning Beyond the Classroom — Exploring the World of Plants

Students explored the world of plants through direct observation and hands-on environmental learning. They identified roots, stems, leaves, flowers and seeds; learned the requirements for plant growth; and compared trees, shrubs, herbs, climbers and creepers. The highlight was the plantation of a Christmas tree in the school garden.
